FREUNION 34 THE FLAGS. The Regatta - Brilliant Victori-

There is no reason why Louisville should not monopolize, to a great extent, the whole trade of the Southwest, and also draw a handsome revenue from the Southest, through the new reitread facilities. The building and extension of railroad lines has revoluted trade. Cities are no longer so dependent on great rivers, although these advantages must not be overlooked. In land cities, like Indianapois, surrounded land cities, with the should not monopolize, to a great extent, the whole trade of the Southwest, and also differed it to the champion blip. The Lonis-ville Bargo Club No. I, of this city, got up a very hundsome silk flag some time still bargo Club No. I, of this city, got up a very hundsome silk flag some time still bargo Club No. I, of this city, got up a very hundsome silk flag some time store of the champion blip. well to the little weak places; make them secure. Ask daily help from God, and he will aid yon to build a good and true character, such as even his pure eyes may look upon with pleasure.—Chill's Computation. PITKIN, WIARD & CO., THE GREAT NATIONAL

THE BIBLE.

nd lays bare all our foundation .-Many have acted the hypocrite in iffe, who had to be honest in the hours of death. Misgivings of heart, that we have kept secret through life, have come ont in death; and ife, have come out in death; and tinne really nany also who seemed all right and quincy packets Jasper and John many also who seemed all right and fair for heaven have had to declare that they have been self deceived. A gentleman of renown was on his dying bed, when a friend near him report of the race in our local columns. We spoke of the Saviour.

"As to the Bible," he replied, "it may be true; I don't know."

What then are your prospects?" was asked. He replied in whispers, which ined were thunders:

·Dark—very dark," "Perhaps not," he replied; but forwar is now too late-too late!" A mother who had laughed at and

idienled religion and religions peo-ole, was seen restless and miserable n her death bed. She desired that er children should be called. They i her children should be called. They teame. In impassioned accents she addressed them: "My children, I leave been leading you in the written." I have been leading you in the written. have been leading you in the wrong road all your life. I now find the broad road ends in destruction. I

did not believe it before. Olt! seek to serve God, and try to find the gate to heaven, though you may not see your mother there." Her lips were closed forever, and her spirit departed to its account, while the honsehold, terror struck, looked on. Mather! father! would you die thus? Oh, no. A SPIECH IROM GOVERNOR WISE

New Yere, August 22,
The Trib ne's Washing' in special 8 ys the firl add of General Steridan who have arrived here this evening, direct from New Orleans, as at that direct received an unofficial dispatch late on Saturday evening from Washington, informing him that the order for his removal would be issued in Tuesday. He received the news very coulty, remarking to his friends present, that he felt saushed that he had a imply doze his driv as an officer of the United States (Sovernment, and was sorry that his superior officer of the United States (Sovernment, and was sorry that his superior officer of the United States (Sovernment, and was sorry that his superior officer of the United States (Sovernment, and was sorry that his superior officer of the United States (Sovernment, and was sorry that his superior officer of the United States (Sovernment, and was sorry that his superior officer of the United States (Sovernment, and was sorry that his superior officer of the United States (Sovernment, and was sorry that his superior officer of the United States (Sovernment, and was sorry that his superior officer of the United States (Sovernment, and was sorry that his superior officer of the United States (Sovernment, and was sorry that his superior officer of the United States (Sovernment, and was sorry that his superior officer of the United States (Sovernment, and was sorry that his superior officer of the United States (Sovernment, and was sorry that his superior officer of the United States (Sovernment, and was sorry that his superior officer of the United States (Sovernment, and was sorry that his superior officer of the United States (Sovernment, and was sorry that his superior officer of the United States (Sovernment, and was sorry that his superior officer of the United States (Sovernment, and was sorry that his superior officer of the United States (Sovernment, and was sorry that his superior officer of the United States (Sovernment, and was sorry that his superior officer of the United States (Sovernment, an be had a mply done his duity as an officer of the Caited States of Covernment, — dwar sorry that the with him. — dwar sorry that the with him. — dwarf of the County of th Steedman in denouncing Sheridan, and urging pro ninent cit zens of the St t to hold back and not support the reconstruc-

on act.
The Unionists of New Orleans feel very its next session. It was

and the election commissioners appointed. The number registered is a little over 100,000. The State will undoubtedly come in as a Union State. In completing this registration he met with no opposition from the masses, but, on the contrary, encouragement and assistance; but from the public press, office-holders office-weskers and the distranchised he met with bitterness and opposition. The greatest embarrassment he had met was from constant rumors of his removal, as a broke down the confidence of the people in his acts, but the work was carried out patiently without regard to political influence. He regrets to make the charge uniters on plan, foundations, piers, surfaced in the contraction of the most famous in the country, assembled here yesterday to consult in reference to constructing a bridge across the Mississippi river al this point, for the Hillin is and St. Leuts Bridge Company. Win L. McAlpht was cheeted president, and Thomas McK is is secretary. Committees on plan, foundations, piers, surfaced in the contraction of the most famous in the conditry, assembled here yesterday to consult in reference to constructing a bridge across the Mississippi river al this point, for the Hillin is and St. Leuts Bridge Company. Win L. McAlpht was cheeted president, and Thomas McK is is secretary. ont patiently without regard to political influence. He regrets to make the charge that Gen Rousseau lately visited his command, and without authority interfired with his duties, suggesting his removal.

The convention, with a number of

Scientific Association.

BURLINGTON, VI., August 22.

The sixteenth annual session of the asciation for the advancement of the scinees commenced yesterday. Several interesting papers were read, including one
by C-lonel Whittlesey, of C-everand, on
the distribution of precious metals in the
United States. Professor Newberry advocated the formation of a national mining bureau for the protection of the mining interests of the country.

The Michigan Constitution. DETROIT, August 22. At Lansing this morning, the new con-sciution was signed by sixty-six mem-bers. The convention then adjourned

STANTON AND SHERIDAN.

NEW YORK, August 22.

The Times' special says that General Grant, when appresed of the President's intential to remove Stanton, sent him an earnest protest against the rectangle of taking measures to protect themselves in against the encroachments of the Anlight of taking measures to protect themselves in against the encroachments of the Anlight of taking measures to protect themselves in against the encroachments of the Anlight of taking measures to protect themselves in against the encroachments of the Anlight of taking measures to protect themselves in against the encroach grant's remonstrance against the removal be not made. To this the President made no reply. General Grant's remonstrance against the removal of Sherldan was even more emphatic. He urged the President from financial, patriole, and all other considerations not to make the removal. To this the President replied at length in a letter covering ten or twelve pages. He urged the case in his usual style, and coved with a neuteration of his determination in a letter to tieneral Grant dated August 3d.

Washinoton, August 22.

It is already known that instructions were some days ago sent to Gen. Siekles, to the effect that the process of Federal courts must not be interfered with by the hill hary authorities, but recent dispatches from the South say that, notwithstanding these instruct ons, order No. 10 sell in tree. These facts, being unexplained of orders from the South say that, notwithstanding these instruct ons, order No. 10 sell in tree. These facts, being unexplained of the fact of the CHARGES AGAINST GENERALS The Cholera at Corpus Christi.

ise Johnson's Interpretation of the law. Forts Reno and Kearney Beselged

command, and without authority interfred will his duties, suggesting his removal.

St. Louis, Angust 22.

The strike on the Mobile and Ohio Rall-road has assumed formidable proportions. Many who have not been paid in eighteen months, asse bled at Jackson and stopped all trams. A company of itary has been ordered to that point, and the agents of the road fear Governor Brownlow will take possessi nof all that portion of the road in Tennessee.

Ri hmond, August 22.

Ex-Gov. Wine spoke at Washington Ademy to day. He de lared that the read-outh and oath of registration were unconstitutional. He appealed to the chorts to place the white manses of the North against the floats to place the wine freen. Limings thon must not be kept a logical of the south under the dominatin to the lask freemen. Immigration must not be kept a logical to the chorts to place the wine free the blacks. To avoid the animal definition of the road in the results of the South with the relation of the road of the blacks. To avoid the material of the relation of the road in the relation of the south by the rule of the blacks. To avoid the material of the relation of the south by the rule of the blacks. To avoid the material of the relation of the relation of the relation of the relation of the south by the rule of the blacks. To avoid the material of the relation of the re

NEW YORK.

An Address to President Jaurez. Fund to be Raised to Employ Lawyers

NEW YORK, August 22.

The chairman of the Committee on National Labor Organization made a lengthy report in favor of cutting loose from all political parties and organizing a national labor party, with the object of securing, by proper legislation, the necessary labor reforms for the prosperity of the nation. Two hundred copies were ordered to be printed, and the report made the special order for to-morrow afternoon. The Committee on Co-operation made a long report of generalities, the purport of which was, "Co-operation is a good thing."

Mr. Lylors offered the following as a bestline tor the report:

Esolved, That we approve of the sys

committee of the translation of that subject reported that a national organ would be algely beneficial to the success of labor novements, and advised the establishment of such organ, introducing a system of co-operation in its publication. Congress at its next session. It was binted that if Rousseau har remained many days longer in New Orleans be part would have been placed under arrest and tried under the provisions of the reconstruction law, which make it felony to inderfere with its prosecution.

Gen. Sheridan says the State of Louisman is registered according to act of Congress, the poll books nearly made ont, and the election commissioners appointed. The number registered is a little in one day.

ry, the general distrust of all spe or which employment can only fie to t low rates of interest. The demans

nominal rate is 6 per cent, but brokers or thers requiring large amounts get readi-y supplied at 5 per cent, and in excep-ional cases at 1 per cent. With reference to New York financial

natters, the Herald, of the 20th, says: The proney market remains as easy as it was last week, although the slatement of the associated banks for the week ending on Saturday shows a decreasor \$6,...
573,688 in legal tender notes and \$5,...
12,114 in net deposits. The latter is mainly owing to the remittance of currency westerns. compound interest notes, which on the 15th just., and the sales of

In regard to the sensation rumor frauds in the Treasury Departuent, and the resignation of Secretary McCalloch We have the highest authority for stating that these rumors are fine are time restricted, a large particular. In regard to the gold movement, a clique has bught a cavitation of all are stated to the condition of all areas. Mr. McCulloch intended to resign, and that there were large unrounded government bonds over-issued. In regard to the over-issues it is positively stated, semi-officially, that there is not a word of truth in them. There are no over-issues in bonds, or frauds. A careful investigation of the Department by the Secretary has provin this fact. We are informed by confidential friends of the President that not only is the removal of Mr. McCulloch not contemplated by him, but that he is in perfect nearly with Mr. McCulloch, personsfly as well as officially, in regard to the future and general policy of the Department. A change in the office of Secretary of the Treasury, at any season, but more especially of the present circle.

change in the office of Secretary of the Treasury, at any season, but more especially at the present critical monarat, would have an injurious influence on the credit of the government, both at home and abroad. It is remarkable that Mr. McCulloch, during his term of office as Secretary of the Treasury, has given more general satisfaction, here and in Europe, than in any other officer of the government.

The public can rest satisfied that the ru The public can rest satisfied that the rimors of the past week in regard to the Tressiry Department have had their source with gold operators who want to make a turn, and to profit by excling the public mind. When these operators have advanced the price of gold, and begin to sell, where are the buyers to come from at the advanced quotations?

of the 20th, says:

of the 20th, says:

There was just sufficient Increase of business activity has tweek to justify the hope that the dollest part of the year is at last over. There was a shill happrovement in nost branchs of tride, with an increased demand for my of resulting the same of the last over the same purposes. The not the larger and dry goods departments. Last weak the imports amounted to 50,977 cm3, for ing an increase of \$7,973,77 over the provinceus week. The exports were also sary favorable, amounting to \$5,05,311, aminorease.

rities:

New York—10 A. M.—Gold opened at 180° at 23 ½c for consumption, and a large sale by manufacturer to dealers on private lerms. We also note 118° at 181° at 18

The gracery market is moderately act60 pounds.
No. 1 Red Winter—To be red, or red and ive, and prices are steady. Whisky continues irregular for free; tended whisky is firm at 19 132; with Cotton is firm, but receipts are light,

The receipts at all the ports are on a considerably larger scale than they were at the f. giming of the month, the total for the week ending on the 19th inst, having lesen 6,830 bales, making an aggregate of 1,855,670 bales since September 1, against 2,020,773 bales during the same time in 1865-66. The exports, on the other hand, are on a verylight and declining scale, the total for the week having been only 4,530 bales, making 1, 541,156 bales since the 18t of September, against 1,509,950 bales for the corresporting period in the previous year. The stocks at all the ports are reduced to 137, 380 bales, against 311,257 byles at the same time in 1868. Of this aggregate there was hold at the dales of the latest sulvices at New Orleans, 24,449 bales; at Mobile, 5, 708, for in at Clarester, 822; at Sayannah, 5,575; in New Orleans, 21.449 bales; at Mobile, 5.709; at Clarleston, \$22; at Savannah, 5,575; in Texas, 5,677; at New York (estimated), 68.000; in Florida, 118, and at other ports (estimated), 30,000. The reports relative to the growing crop are contradictory, but it is certain that the cotion worm has done considerable damage in various sections, and especially in Louisiana. The heavy rains, too, submerged portions of the fowlands, and the grass has proved troublesome to the planters; but a favorencoureding accounts are now coming forward. The stock of cotton at Liverpool on the 31 instant aggregated 675,800 tales, and that at London 83,630 bales, while there were 50,000 bales of American and 772,710 of Indian affoat, making a for 1 of 1,512,110, against 1,672,550 at the same time last were.
